EPSON®
EXCEED YOUR VISION

Epson EMP S5/X5

Affordable, high performance projectors for education or business presenting

Bring performance, reliability and value to your classroom or office presenting. Project superb colour images quickly and easily in any room, start up and shut down in seconds.

Key benefits:

- Epson makes high-quality presenting affordable and reliable
- Superb images with Epson 3LCD technologies and 8 colour modes
- Super long-life, low wattage bulb lasts up to 4000 hours
- Quiet operation at just 28 dB
- Great security with tough bar and lock, and password protection

No time wasting with quick start up and shut down
Start your presentation from just 5 seconds from power on, to full power! Pack away efficiently with less than 1 second cool down time before the double-beep signals it's safe to unplug and go.

Start up

Shut down

Sliding lens cover to pause presentations, and protect the lens!
Epson's unique A/V mute slide technology means you can conveniently pause presentations to refocus the audiences' attention on you.

Reduce your projection power consumption
Epson's exclusive and patented E-TORL lamp technology, low-wattage lamps can be used even for bright output; and coupled with the Epson EMP-S5 and Epson EMP-X5's low power consumption you are sure to save money and stay ecologically friendly!
